Ukraine National Anthem

U -kraine' s glo-ry has-n' t pe - rished, nor free - dom, nor will. Up -

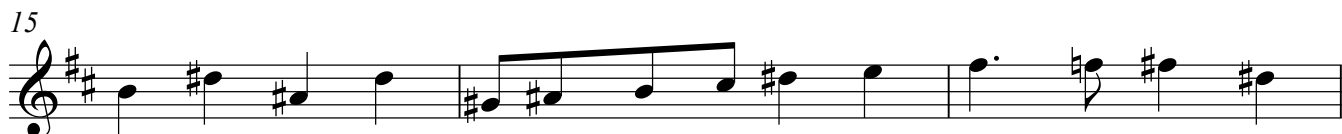

on us, fel-low kin, fate shall smile once more. Our e - ne - mies will va -

nish, like dew in the mor ning sun, And we too shall rule, bro- thers, in a free

land of our own We' ll lay down our souls and bo-dies to at-tain our free- dom,

And we' ll show that we, bro- thers, are of the Ko - zak line. We' ll

lay down our souls and bo-dies to at-tain our free- dom, And we' ll show

that we, bro- thers, are of the Ko-zak na tion.
